

2016-2017

## Pre-K - *School Supplies*

- 1 pair of *Velcro* running shoes to wear indoors and in the gymnasium, preferably not with black soles, as these mark the gym floor
- Extra change of clothes ( pants, shirt, socks and underwear) in a bag labelled with your child's name
- 1 pencil case to store coloured pencils/markers
- Markers – 1 set washable
- *Twistable* crayons – larger size lead, if possible
- 1 pair of scissors that cut well; if your child is left-handed, try to find a pair for him/her ( not always easy)
- 1 paint smock
- 2 boxes of Kleenex
- 2 large size glue **sticks** ( good quality brand)
- 8 whiteboard markers, 1 whiteboard eraser

It is VERY helpful to label with a Sharpie: clothes, lunch bags /containers, and school supplies wherever possible. This makes it easier for your child and teacher to find his/her things. Thank you.

## 2016-2017 Kindergarten - School Supplies

1 pair of VELCRO running shoes to wear indoors and in the gymnasium. (If they are not Velcro, your child needs to know how to tie them, we do NOT tie shoes). Thank you.

Extra change of clothes (pants, shirt, socks and underwear) in a bag labelled with your child's name.

1 pencil case for crayons, markers and pencils

Markers (washables)

Crayons (Crayola twistables or pencil crayons – not wax)

1 pair of scissors that cut well

1 paint smock

1 zipper pouch to keep the agenda in

2 boxes of Kleenex            1 reusable water bottle (not too big)

2 glue sticks 40 g each (Lepage or any brand of good quality)

1 small container of white liquid glue (non toxic)

4 duo-tangs of different colours, no designs/patterns

2 pencils, 1 white eraser \*\*\*NO sharpeners please\*\*\*\*

6 whiteboard markers, 1 whiteboard eraser

Earphones-preferably not the small ear bud type

\*\*\*Please write your child's NAME on ALL\_of his/her school supplies and clothing when possible. This makes it easier for your child and the teacher to find his/her things.

## Lunches

Please note that we are continuing to encourage healthy lunches. Morning and afternoon snacks should consist of fruits, vegetables, cheese and crackers, yogurt, nuts, seeds, etc... We are trying to discourage snacks that have a lot of sugar in them. Foods with a lot of sugar in them will be eaten as a dessert after the child's meal at lunch time. Please also try to choose juices that contain 100% pure fruit juice with no added sugar. The dental hygienist will be visiting to discuss healthy eating and healthy dental hygiene habits.

**\*\*Please do not send any flavored or sweetened waters. Plain tap water is perfect.\*\***

We are also hoping to make the least amount of garbage possible this school year. We are hoping to cut down on foods in plastic bags, suggesting that when possible reusable containers be used instead of disposable plastic bags. Also if it is possible to use reusable juice boxes/containers (such as Rubbermaid), that would cut down on a lot of garbage.

**\*\*\*\*Please remember to send UTENSILS when your child needs them.\*\*\*\***

Thank you in advance for your cooperation.

Mrs. Clark
